☐ All students should also have a **zipper pouch** to hold their supplies (pencils, erasers, etc), and a **sturdy pocket folder (plastic)** for taking home notes and completed/graded work on Fridays.

☐ Please be sure to put your **name** on all the supplies you bring to school.

☐ We do have some supplies at school, but many students prefer to have their own crayons, markers, colored pencils, erasers and scissors.

☐ Students are encouraged to bring a water bottle to school as we do not have drinking fountains in or near our classrooms. Water bottles must have lids or caps on them so they can be closed when not in use.

Please note: Water is the only drink permitted in classrooms. (No energy drinks, juice or pop, etc.)

☐ Your school supplies will be carried from class to class during the day and stored in your locker. Lockers at Farms are 10 $\frac{1}{2}$ " deep and 11 $\frac{1}{2}$ " wide and will not hold over-sized items, such as backpacks with wheels, trapper-keepers or 2" binders.

☐ We can always use pencils, sticky-notes, jolly ranchers, Kleenex, Band-aids, Clorox Wipes, Paper Towels and Zip lock baggies (of any size) in our classrooms and appreciate all donations.
Thank you!

~ Enjoy these last days of summer ~
