

MRS. BLOOM'S

5th and 6th grade classroom supply list

Supplies:

- Notebook or composition book
- Pencils
- Colored pencils/crayons/markers**
- Headphones or earbuds (optional)
- Pencil bag/supply pouch (optional as a ziploc gallon bag will be provided)

Donations:

- Cleaning wipes (Clorox, Lysol, etc.)
- Kleenex
- Hand sanitizer

Please let me know if there is an issue regarding getting any supplies on the list. All supplies will be kept in Mrs. Bloom's classroom for the school year. Each child will have their own drawer and ziplock bag for supplies within Mrs. Bloom's classroom. Please label these supplies and donations BLOOM as students often think they are for their homeroom and not sure why they have so many items. We work on the computer from time to time, and students often use headphones to listen to reading or hear their writing read aloud. Typically students like to bring in their own headphones and if that is the case they will be kept within Mrs. Bloom's classroom for the school year. If you are unable to get a pair one will be provided.

Due to not being able to have community supplies, I am asking that students bring something for coloring or drawing. Your child can pick either markers/crayons/colored pencils - they do NOT have to bring all three.

Thank you for your generosity!!

Mrs. Bloom
