Welcome to FARMS and Fifth Grade! We look forward to meeting you and spending a great year learning and growing with you all! You will be with your Homeroom Teacher for Language Arts and will see each of us for the content areas listed above. Please use this supply list as you consider your back-to-school purchases:

Language Arts: one composition notebook

Math: one folder
one spiral or composition notebook

Science: one folder (with tabs if possible)

Social Studies: one folder

- All students should also have a **pencil case or pencil box** with the following supplies:
 - mechanical pencils or No. 2 pencils with a personal sharpener
 - glue stick
 - scissors
 - crayons
 - highlighters
 - small hand sanitizer (if preferred)
- Please be sure to put your **name** on all the supplies you bring to school.
- Students are encouraged to bring a water bottle to school as we do not have drinking fountains in or near our classrooms. Water bottles must have lids or caps on them so they can be closed when not in use.

Please note: Water is the only drink permitted in classrooms.
(No energy drinks, juice or pop, etc.)

- All school supplies will be carried from class to class during the day inside your backpack.
- *We can always use Jolly Ranchers, Kleenex, Band-aids, Clorox Wipes, Hand Sanitizer, Paper Towels and Zip lock baggies (of any size) in our classrooms and appreciate all donations. Thank you!*

~ Enjoy these last days of summer ~
