Dear Student,

Welcome to Farms Intermediate School and to the 5th Grade! We are delighted that you will be in our classes. We have many exciting activities planned and we are looking forward to a great year together!

Due to these COVID times, supplies will not be shared amongst peers, therefore, we are highly encouraging you to bring your own from home. **ALL SUPPLIES MUST BE LABELED** with first and last name. At this time, you will not be using your locker to begin the year and may need to carry your supplies around with you. Shop lightly!
