## CHILD FIND

Child Find is an ongoing process of locating, identifying, and evaluating children ages birth through 26, who may have developmental delays or disabilities, who are in need of special education and related services. Children identified with developmental delays or a specific disability are entitled to a free, appropriate public education designed to meet his/her needs.

Hartland Consolidated Schools (HCS), in collaboration with Livingston Educational Service Agency, engages in activities and assessments to identify children who may be suspected of having a developmental delay or disability. This includes students enrolled in private schools, who are home-schooled, mobile, migrant, or homeless.

Referrals for intervention can be made by anyone concerned with a child's educational performance including a parent, child's teacher, community agency, or school official.

**STUDENT DROP-OFF AND PICK-UP AREA**

Please be sure to ONLY drop off your students in the Student Drop Off Zone. They may not be dropped off, or picked up, near the buses. It is a safety hazard. If you park, you MUST walk your child through the parking lot. No child may walk in the parking lot unattended.

There is no parking, at ANY time, in the bus horseshoe. This is a fire lane and you may be ticketed by the Livingston County Sheriff's Department.

**Please do not drop your child off before 8:25am.**

There is no supervision at that time. If your child needs to be dropped off earlier, there is latchkey through Community Education right next door at Lakes or in Downtown Hartland.
